## AUDIT COMMITTEE REPORT

The Audit Committee operates pursuant to its adopted charter. All members of the Audit Committee are independent, within the meaning of the NASDAQ marketplace rules and regulations.

The Audit Committee assists the Board by overseeing the performance of the independent auditors and the quality and integrity of our internal accounting, auditing and financial reporting practices. The Audit Committee is responsible for retaining (subject to shareholder ratification) and, as necessary, terminating, the independent auditors, annually reviews the qualifications, performance and independence of the independent auditors and the audit plan, fees and audit results, and pre-approves audit and non-audit services to be performed by the auditors and related fees.

The Audit Committee reviewed with the Company's financial managers and the independent auditors overall audit scopes and plans, the results of internal and external audit examinations, evaluations by the auditors of the Company's internal controls, and the quality of the Company's financial reporting.

The Audit Committee has reviewed with management the audited financial statements in the Company's Annual Report on Form 20-F for the year ended December 31, 2017, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements. In addressing the quality of management's accounting judgments, members of the Audit Committee asked for management's representations that the audited consolidated financial statements of the Company have been prepared in conformity with generally accepted accounting principles and have expressed to both management and the independent auditors their general preference for conservative policies when a range of accounting options is available.

In its meetings with representatives of the independent auditors, the Audit Committee asks them to address, and discusses their responses to several questions that the Audit Committee believes are particularly relevant to its oversight. These questions include:

- Are there any significant accounting judgments made by management in preparing the financial statements that would have been made differently had the independent auditors themselves prepared and been responsible for the financial statements?
- Based on the independent auditors' experience and their knowledge of the Company, do the Company's financial statements fairly present to investors, with clarity and completeness, the Company's financial position and performance for the reporting period in accordance with generally accepted accounting principles and SEC disclosure requirements?
- Based on the independent auditors' experience and their knowledge of the Company, has the Company implemented internal controls and internal audit procedures that are appropriate for the Company?

The Audit Committee believes that by thus focusing its discussions with the independent auditors, it can promote a meaningful dialogue that provides a basis for its oversight judgments.

---

The Audit Committee also discussed with the independent auditors all other matters required to be discussed by the auditors with the Audit Committee under Statement on Auditing Standards No. 61 (“Communication with Audit Committees”). The Audit Committee received and discussed with the independent auditors their annual written report on their independence from the Company and its management, which is made under Independence Standards Board Standard No. 1 (“Independence Discussions with Audit Committees”), and considered with the independent auditors whether the provision of financial information systems design and implementation and other non-audit services provided by them to the Company during the fiscal year ended December 31, 2017 was compatible with the independent auditors’ independence.

In performing all of these functions, the Audit Committee acts only in an oversight capacity. The Audit Committee reviews the Company’s SEC reports prior to filing and intends to continue this practice in the future. In addition, the Audit Committee reviews all quarterly earnings announcements in advance of their issuance with management and representatives of the independent auditors. In its oversight role, the Audit Committee relies on the work and assurances of the Company’s management, which has the primary responsibility for financial statements and reports, and of the independent auditors, who, in their report, express an opinion on the conformity of the Company’s annual financial statements to generally accepted accounting principles.

In reliance on the reviews and discussions referred to above, in April 2018, the Audit Committee recommended to the Board of Directors (and the Board approved) that the audited financial statements be included in the Annual Report on Form 20-F for the year ended December 31, 2017 for filing with the Securities and Exchange Commission.

The Audit Committee and the Board have also recommended the appointment of KSP Group, Inc. as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2017.

**Proposal 2**

**RATIFICATION OF SELECTION OF  
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Effective on March 10, 2017, the Company's principal accountant and auditor, Kabani & Company, Inc. ("Kabani") resigned as the Company's independent registered public accounting firm and auditor, as Kabani no longer provides audit services.

Kabani's issued report on the Company's financial statements for the fiscal years ended December 31, 2016 and 2015 did not contain an adverse opinion or disclaimer of opinion, and was prepared using U.S. generally accepted accounting principles applicable to a going concern.

As a result of Kabani's resignation, the Board of Directors of the Company approved the appointment of KSP Group, Inc. ("KSP") as the Company's new independent registered public accounting firm and auditor on March 14, 2017 to fill the vacancy in accordance with the Articles of Association of the Company.

A representative of KSP is expected to be present at the Annual General Meeting. That representative will have an opportunity to make a statement and will be available to respond to questions regarding this and any other appropriate matters.

**AUDIT FEES, AUDIT RELATED FEES, TAX FEES AND OTHER FEES FOR FISCAL YEARS ENDED DECEMBER 31, 2017 and 2016.**

The audit fee of our current independent registered public accounting firm, KSP Group, Inc. ("KSP") in connection with review and audit fee for 2017 and 2016 was US\$142,500 and US\$149,000, respectively.

The audit related fee of KSP including expenses for responding to SEC comments and out-of-pocket expenses, such as traveling and lodging, for the fiscal years ended December 31, 2017 and 2016 amounted to US\$1,888 and US\$2,587, respectively.

There were no fees paid to Kabani for the fiscal years ended December 31, 2017 and 2016.

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE PROPOSAL TO RATIFY AND APPROVE THE APPOINTMENT OF KSP GROUP, INC. AS THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE COMPANY FOR THE FISCAL YEAR ENDING DECEMBER 31, 2017.**

**Pre-Approval Policies and Procedures**

In accordance with the SEC's auditor independence rules, the Audit Committee has established the following policies and procedures by which it approves in advance any audit or permissible non-audit services to be provided to the Company by its independent auditor.

---

Prior to the engagement of the independent auditor for any fiscal year's audit, management submits to the Audit Committee for approval lists of recurring audit, audit-related, tax and other services expected to be provided by the auditor during that fiscal year. The Audit Committee adopts pre-approval schedules describing the recurring services that it has pre-approved, and is informed on a timely basis, and in any event by the next scheduled meeting, of any such services rendered by the independent auditor and the related fees.

The fees for any services listed in a pre-approval schedule are budgeted, and the Audit Committee requires the independent auditor and management to report actual fees versus the budget periodically throughout the year. The Audit Committee will require additional pre-approval if circumstances arise where it becomes necessary to engage the independent auditor for additional services above the amount of fees originally pre-approved. Any audit or non-audit service not listed in a pre-approval schedule must be separately pre-approved by the Audit Committee on a case-by-case basis. Every request to adopt or amend a pre-approval schedule or to provide services that are not listed in a pre-approval schedule must include a statement by the independent auditors as to whether, in their view, the request is consistent with the SEC's rules on auditor independence.

The Audit Committee will not grant approval for:

- any services prohibited by applicable law or by any rule or regulation of the SEC or other regulatory body applicable to the Company;
- provision by the independent auditor to the Company of strategic consulting services of the type typically provided by management consulting firms; or
- the retention of the independent auditor in connection with a transaction initially recommended by the independent auditor, the tax treatment of which may not be clear under the Internal Revenue Code and related regulations and which it is reasonable to conclude will be subject to audit procedures during an audit of the Company's financial statements.

Tax services proposed to be provided by the auditor to any director, officer or employee of the Company who is in an accounting role or financial reporting oversight role must be approved by the Audit Committee on a case-by-case basis where such services are to be paid for by the Company, and the Audit Committee will be informed of any services to be provided to such individuals that are not to be paid for by the Company.

In determining whether to grant pre-approval of any non-audit services in the "all other" category, the Audit Committee will consider all relevant facts and circumstances, including the following four basic guidelines:

- whether the service creates a mutual or conflicting interest between the auditor and the Company;
  - whether the service places the auditor in the position of auditing his or her own work;
  - whether the service results in the auditor acting as management or an employee of the Company; and
  - whether the service places the auditor in a position of being an advocate for the Company.
